TERMS & NOTES

- These rates apply only to consensual (owner-requested) tows and roadside service hired directly by the vehicle owner, a motor club, or an insurer.
- Rates apply to light-duty (Class A) vehicles up to roughly 10,000 lbs GVW; heavy-duty recovery is referred to a partner operator.
- These are not the regulated non-consent maximum rates; the posted non-consent rate schedule (Ordinance 2015-50) still governs all trespass and law-enforcement tows.
- A written estimate or quoted price is provided to the customer before service whenever practical.
- An itemized receipt is provided at the time of payment showing the company's legal name and each charge.
- Rates cover the standard local service area (St. Augustine / St. Johns County); per-mile mileage applies for jobs into surrounding counties.
- Motor-club and insurance work may be billed at contracted network rates, which can differ from the prices above.
- Figures shown are suggested 2026 North Florida market starting rates based on published local roadside and towing pricing; review and adjust before use.
- Rates are subject to change; the rate in effect on the date of service applies.
